Supplies:

Baby Lock Serger

4 Spools Madeira Aerolock serger thread

2 - 2 1/2 yards of sweater knit fabric (see measurement chart)

Large eye embroidery needle

*Note - make sure the sweater knit fabric has stretch both horizontally and vertically.

Instructions:

1. Cut out a large rectangle based on the following measurements:

Size	XS (Bust to 33")	S (Bust to 36")	M (Bust to 39")	L (Bust to 42")	XL (Bust to 45")
Measurements - Cut this length by 23" wide	2 yd	2 1/8 yd	2 1/4 yd	2 3/8 yd	2 1/2 yd

- 2. If desired, finish the two longest edges of the shrug with a 4 thread overlock stitch. The shrug pictured has unfinished edges.
- 3. Fold the rectangle right sides together, matching the short edges. Stitch with a narrow 4 thread overlock stitch and coordinating thread. (needles: left and right; length: 3; width: 6; stitch selector: A)

- 4. Using an embroidery needle with a large eye, thread your serger tails and weave them under the stitching. Trim off any excess thread.

5. To wear as a shrug - pull the loop over head and spread at the waist. Twist in front once to create a second loop, then pull this loop over the head. Spread fabric out over shoulders.

6. To wear as a scarf, hold out on arms as one loop. Twist once to form two loops. Hold the loops together and slip over head.
