## *“Last Minute Gifts – Monogrammed Throw”*

Embroidered monograms can turn any ordinary purchased item, like a fleece throw, into a thoughtful and personalized gift.

### **Supplies:**

Baby Lock embroidery machine  
Assorted embroidery threads  
Dissolve-Away Mesh stabilizer  
Aqua-Melt Topping  
Machine embroidery spray adhesive

### **Instructions:**

1. Hoop water solvable stabilizer in the hoop and lightly spray with embroidery spray adhesive.
2. Position one corner of the throw on the hoop so the remaining fabric is facing the hoop bracket and will be to the left of the machine.
3. Cut a piece of Aqua Melt topping and lightly mist with spray adhesive, position on top of the throw covering the area to be embroidered.
4. Select the initials and rotate it in the hoop, so the letters face the corner of the throw.
5. Embroider the monogram using your preference of embroidery thread colors to compliment your fleece.
