Whether your style is bold, contemporary, or traditional, you will love expressing it with the Baby Lock Decorator's Choice.

## Convenient Push Button Features

With a suite of push button features, your sewing projects have never been easier to complete. Program the needle up or down, reinforce any stitch with the reverse sewing button, or conveniently sew without a foot control using the start/stop button.

## Quick-Set Bobbin

Easily set your bobbin. Merely drop in the top-loading bobbin and pull the thread through the slot. Let Quick-Set do the rest.

## Innovative Automatic Needle Threader

Our Automatic Needle Threader ends the frustration of threading a needle. This threading technique is so simple to use, you can do it with one hand.

## Quick-Set Bobbin Winder

Winding a bobbin is fast and easy. The winder seat holds the thread in place and stops automatically when the bobbin is full.
