Beautiful Hand-Stitched look from Baby Lock

I've been doing some kind of sewing for as long as I could hold a needle and thread. My first experience with a Sashiko-like stitch was on my grandma's quilts. For anyone who has seen the hand-stitching technique known as Sashiko, you'll be amazed that there's a machine that can replicate this distinctive stitch. This sweet, simple, but elegant stitch can embellish almost anything. From garments to home décor to quilting - once I get started with this machine I can't stop.

Evy Hawkins
Author, Teacher, Designer

Key Features

- Uses 30-weight or lighter threads
- U-Shaped fluorescent lamp
- Color LED Panel for stitch function
- Stitch length 2mm to 5mm
- Stitch spacing 2mm to 5mm
- Single stitch function
- Presser foot pressure adjustment
- Presser foot height adjustment
- Needle plate seam markings in inches and millimeters
- Electronic foot control adjusts and sets speed of bobbin winding
- Built-in accessory storage

Precise Sashiko Stitches

A specialty needle working in conjunction with a latch wire system forms defined stitches and precise spacing to create a true hand-stitched look.

Free-Flow Sewing

The adjustable presser foot height allows ease of turning fabric, stitching circles, squares and other shapes for complete control.

Create short or long spaces with adjustable spacing from 2mm to 5mm.

Additional Sashiko Features & Accessories

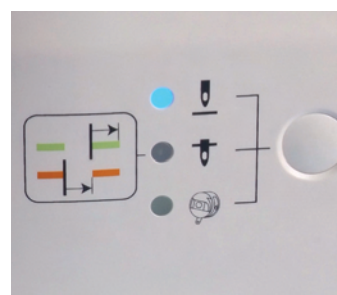

Free-Flow Sewing

The adjustable presser foot height allows ease of turning fabric, stitching circles, squares and other shapes for complete control.

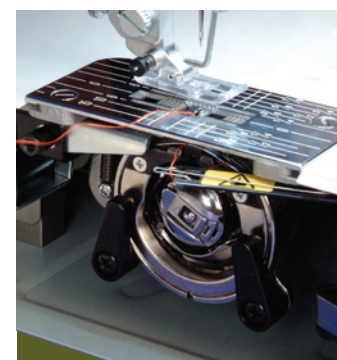

U-Shaped Fluorescent Lamp

The entire needle area is surrounded by a lighting system for maximum illumination.

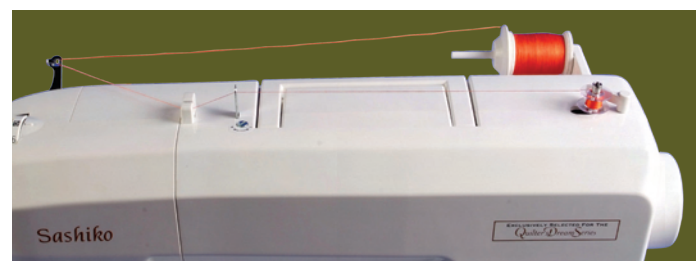

LED Monitor

This unique system allows you to easily recognize when the needle is creating a stitch or a space

Bobbin System

The side loading, oscillating bobbin system is conveniently placed for fast and easy loading.

Bobbin Winder

Easily prepare multiple bobbins for projects by winding each one on the built-in bobbin winder.

Accessory Storage Space

Conveniently store and organize all of the included accessories in the built-in tray.

Optional Sashiko Table

Add a world of extra sewing space to your machine with this optional 18" x 24" extension table.

Optional Accessories

A one-of-a-kind machine lends to a unique experience every time. To guarantee an exciting Sashiko experience, Baby Lock offers multiple accessories for your machine. Whether you're looking to add Sashiko stitches to larger projects, or need some inspiration, Baby Lock has the right accessory for you. There's even a machine cover so you can easily store your machine while protecting it from dust.
