2. While following the manufacturer’s directions, fuse the Baby Lock Appliqué stabilizer to the back side on the seven bright fabrics.
3. Using the AccuQuilt GO! System and the two Letter dies, cut out the letters. **Note:** When cutting out the letters place the fabric upside down over the die. Set them aside.
4. Using the Square AccuQuilt GO! Die #55060 cut 8 pockets using the menorah print fabric. Fold under ¼” on all four sides. Top stitch the top edge. Set aside.

1. Make a sandwich with the two background sections placing the batting between the sections.
2. Quilt the section together using a meandering stipple stitch.
3. Place the templates for each of the letters and the word “Happy” on the background fabric while referring to the opening picture for placement.

At the Embroidery and Sewing Machine:

1. Hoop the quilted section centering the first three appliqué letters of the hoop.
2. With the machine set up for embroidery, retrieve the first letter.
3. Embroider the design while following the color stops. The first color stop for each unit is the positioning step and is used to perfectly place the appliquéd shape. Finger press the letter centered over the outline stitch. The second color stop is for embroidering the design to the fabric.
4. When finished with the first letter repeat for the other letters while being careful that the letters are spaced evenly.
5. Hoop the embroidered section centering the word Happy in the hoop. Place the word at a slight upward angle as shown in the opening picture. Embroider the lettering.

7. Place the pockets in two rows as shown in the opening photo.
8. Stitch the pockets on the remaining three sides to hold in place.
