3. Set up the Sizzix Big Shot cutting system for cutting. Place the fused fabric sections over the star die. Run the die sections with the appropriate sized spacers to cut the star shapes.
4. Lay the purchased felt runner on a flat surface.
5. Peel off the paper from the fused star sections and place them on the table runner randomly spaced.

6. With the machine set up for sewing, select a zig zag stitch. Set the width of the stitch to 2.5mm. Stitch around each of the stars, pivoting at the points and at the inside corner areas on the stars. Pivot with the needle in the down position.
