Instructions:
First Design

1. Open the Amazing Designs App on your desktop and follow the next set of steps:

   - To place the hoop on the workspace, select the Tool tab and click on Select Hoop. Select the 200mm x 200mm hoop.
   - Click on the Size It! tab Size It on the top toolbar.
   - Click on the Merge Design icon on the Top Ribbon. Retrieve design #SWNPP112 from the "Pumpkins a Plenty" design collection and click Open.

   - Under the Home tab, click on the Rotate Left Rotate Left icon to rotate the design in the hoop.
   - Select the Size It tab.

   - Click on the Fit Hoop icon to size the design larger to fit within the hoop.
   - To print out a template of the design, click on Print Preview and follow the prompts to print out an exact sized copy of the design.

2. Click on File Save As a working file format (blf) and then save as the format that your machine will read.

3. Embroider the design onto each of the ends by following the following steps:

   - Pin the embroidery template to one of the long ends so that it is centered from side-to-side.
   - Hoop the tear-away stabilizer and spray with the temporary spray adhesive.
   - Place the templated runner in the center of the hoop and finger press to secure.
   - Retrieve the design.
   - Center the needle over the cross-marks on the template. Remove the template from the hoop.
   - Embroider the design using the Madeira embroidery threads.
   - Repeat for the other end on the runner.

Second Design:

1. Open the Amazing Designs App on your desktop and follow the next set of steps:

   - To place the hoop on the workspace, select the Tool tab and click on Select Hoop. Select the 200mm x 300mm hoop and click on rotate 90°.
   - Click on the Size It! tab Size It on the top toolbar.

- Click on the Merge Design icon on the Top Ribbon. Retrieve design #SWNPP105 from the Pumpkins a Plenty Collection and click Open.
- In the Properties field, change the Width to 210mm and click Apply.

- Select the Home tab.
- To print out a template of the design click on Print Preview and follow the prompts to print out two exact sized copies of the design.

2. Click on File Save As a working file format (blf) and then save as the format that your machine will read.
Third Design:

1. Open the Amazing Designs App on your desktop and follow the next set of steps:

- To place the hoop on the workspace, select the Tool tab and click on Select Hoop. Select the 200mm x 200mm hoop and click on rotate 90°.
- Click on the Size It! tab on the top toolbar.
- In the Properties field, change the Height to 58mm and click Apply.

- Select the Home tab and with the design selected click on Copy, Paste to duplicate the design.
- Move the duplicated design to the left of the first design as shown in the following illustration. Use the gridlines for accurate placement of the designs.

- To print out a template of the design, click on Print Preview and follow the prompts to print out an exact sized copy of the design.

Finishing:

1. Now it is time to finish the embroidery process. Pin the second and third design templates to the sides on the table runner by following the next set of steps:

   - Fold the table runner in half and place the center line of the third design template on the fold line of the table runner.

   - Pin the two templates from the second design on each side of the third design template.

   - Hoop the tear-away stabilizer and spray with the temporary spray adhesive.

   - Place the templated area of the third design in the center of hoop and finger press to secure.

   - Retrieve the third design.

   - Center the needle over the cross-marks on the template and remove the template from the hoop.

   - Embroider the design following the color guide sheet for the designs.

   - Hoop the tear-away stabilizer and spray with the temporary spray adhesive.

   - Place one of the templated areas for the Second Design centered in the hoop and finger press to secure. Embroider the design.

   - Place the last templated area in the hoop and embroider the design.

   - Repeat these steps for the opposite side of the runner.
