Set of towels

½ Yard of cotton print fabric

Madeira® Cotona thread for sewing

Mary Ellen's Best Press Clear Starch Alternative

Basic sewing supplies

Instructions:

- 1) Measure the band at the bottom of the towels. Jot down the measurement.
- 2) Cut strips from the cotton print fabric $\frac{1}{2}$ " wider than the measured band.
- 3) Fold in $\frac{1}{4}$ " on each of the long edges and press well. **Tip:** Spray the strip with Mary Ellen's Best Press Clear Starch Alternative to get a nice folded strip.
- 4) Set up the machine for straight stitch sewing:
 - a) Set the length to 2.0.
 - b) Use the left needle position.
 - c) Thread the machine; top and bobbin with coordinating Madeira Cotona thread color.
 - d) Attach the walking foot.
- 5) Pin the strip to the band area on the towel, leaving a $\frac{3}{4}$ " over hang on both sides of the towel. Turn the overhanging area to the backside of the towel. Press the raw edge under $\frac{1}{4}$ " and pin in place. It should line up with the strip on the front of the towel.
- 6) Using a $\frac{1}{8}$ " seam allowance, stitch close to the outer edges on the strip going at a slow even pace. Remove the pins as you sew.
