Instructions:

- 1) Cut two 29" square sections from the Cuddle fabric. Fasten together using clips.
- 2) Set up the machine for straight stitch sewing:
 - a) Set the length to 2.5.
 - b) Use the left needle position.
 - c) Thread the machine; top and bobbin with white Madeira Cotona thread.
 - d) Attach the walking foot.
- 3) Using a ½" seam allowance, sew around the outer edge going at a slow even pace. Remove the wonder clips one by one as you come up to them. Leave a 12" opening for turning. **Tip:** when stitching the corners, round the corners rather than stitching to a point and turning. The corners will look better.
- 4) Clip the corners and turn the pillow right side out.
- 5) Insert the pillow form and hand stitch the opening closed.
